Necton Parish Council provides broadband and WiFi facilities at the Community Centre. The primary purpose of this facility is to service the Parish Office and Council administration.

Policy

Access to free WiFi within the Community Centre is available to individuals and groups booking the hall or meeting room. This service is provided in good faith to hirers and the Council expects that the facility will not be abused through inappropriate or criminal activity.

This facility will be monitored and reviewed regularly and will be withdrawn should there be an identified risk to the Parish Council's IT security.

Procedure

- A request should be made to the Clerk or Parish Assistant for the password prior to the need for access.
